

PRESS RELEASE

Boone County has made decisions regarding the safety, services, and organization within the Boone County Courthouse buildings. Federal and State guidelines will be followed for controlling the COVID-19 virus. Guidelines may change rapidly so we will do our best to communicate changes to the media as decisions are made.

Our goal is to serve our customers safely and efficiently. Staff will report to offices at usual hours and maintain county business. However, for the safety of the staff and the public, the following changes were implemented effective March 23, 2020 until further notice:

1. The outside doors of the Courthouse building will be locked until further notice.
2. All walk-in members of the public will be limited to entry into the Courthouse building by appointment only.
3. All customers will be required to call ahead and make an appointment with the specific office where they must conduct business.
4. Customers will not be allowed in the offices except for the driver's exams on every other Wednesday so business may be conducted in the Courthouse front lobby or hallways.
5. Only written driver's exams will be given on every other Wednesday's. There will be no actual driving testing until further notice. Call 402-395-6826 on Wednesday or the Boone County Treasurer at 402-395-2513 for information on how to make an appointment for the written driver's exam. Also online renewal of driver's licenses can be done online.
6. Customers may place their documents, payments, etc. in the drop box located on the west entrance to the Courthouse. Also the County strongly recommends the use of mail, email, telephone or fax to conduct business. Online information:
