All requests for driveways and/or culvert work on Boone County Road Department shall be reviewed by the County Highway Superintendent as to location and materials to determine if the driveway shall constitute safety, traffic or water flow problems and the County Highway Superintendent shall regulate the type of driveway to be installed if conditions warrant.

If said property owner requests culvert and/or ditch work not to be performed by the Boone County Road Department, all work shall meet the specifications of the County Highway Superintendent; and, if needed, an Engineer. The said property owner shall pay for all labor, material and all other incurred fees. Boone County shall have no liability for any of the expenses, quality of materials or injury due to misuse of equipment or faulty operation. The County shall not furnish any construction materials or labor for non-qualified requests.

SIGNATURE: _____

BY RESOLUTION: Dated the 15th day of May, 2017
